## Workshop **Writing, quilting and dyeing**

€ 75,00 whole day

Writing, quilting and dyeing is about experimenting with text on a quilt. It is like a vacation in an unknown country: exciting and exploration.

There are several ways to play with text on a quilt, it depends on what you want to say. But even if you only want to make a fantasy-text it's okay. Play with more than one layer and more materials is fun.

Start with a plain piece of fabric or a collage, fill out with a (given) machinequilting-pattern, and start. How to machinequilt will be shown. When the first quilting layer is finished, student will make another layer, with screenprint dye. Students will make try-outs, and start pieces which ends up about 30 x 30 cm.
